|  SERIES & TITLE | <i>VISION WEEKEND: Who are we and What are We?</i> |
|  BIG IDEA | The only church that is capable of making a positive impact on this world, is the community of believers that truly commits to do church the way Jesus intended. |
|  ICE BREAKER | Pastor Cal shared some of the highlights of his summer - share with the group some of yours! |
|  MAIN POINTS | <ul style="list-style-type: none">● The church's reputation has been damaged by the actions of some leaders. This has caused many to become disenchanted with the church.● The early church was a beautiful example of what church should be - a diverse community devoted to God, each other, and those in need.● We need a "re-enchantment" and recommitment to our mission as the church. This means ditching the bland "tofu" version of Christianity and boldly living out our faith. |
|  DISCUSS | <ol style="list-style-type: none">1. What most stuck out to you from the message this weekend?2. How have you seen the church's reputation damaged in recent years? How has this impacted your view of the church?3. In what ways has Christianity taken on the flavor of tofu? In what ways has your faith taken on the flavor of tofu?4. When was the last time you felt like your faith was like a "warhead"?5. Read Hebrews 10:24-25. How can this group "spur each other on" in practical ways? How can we grow closer and strengthen our sense of community? |
|  CHALLENGE | Share as a group one practical way you can ditch tofu faith this week and how the group can hold you accountable to this. Share next week how it went! |
|  SCRIPTURE | Matthew 28:19-20 Go and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teach them to obey everything I have commanded you... |
|  NEXT WEEK SNEAK PEAK | Join us next week as we kickoff a new series called THE CHOSEN (no not the TV show!) where we will be challenged to look and live outside of ourselves. It's gonna be great! |
